INTERNSHIP COMPLETION CERTIFICATE

This is to certify that **Vedi Sai Rishi Kumar**, Admission No.23001A0537, a 3rd year student of Computer Science and Engineering, **JNTU Ananthapuramu**, has successfully completed his internship at the **National Informatics Centre (NIC)**, Ananthapuramu, during the period **May 2025 to July 2025**.

During the internship, he worked on a project titled "SC/ST Atrocities Monitoring System" under the guidance of M. Ravi Shankar, District Informatics Officer (DIO), National Informatics Centre (NIC). The project involved designing and developing a web-based monitoring system for SC/ST atrocities using PHP and MySQL. The system incorporated comprehensive modules for case registration, progress tracking, and report generation, along with role-based authentication mechanisms to provide secure access to stakeholders Police Department, District Administration and Social Welfare Departments.

His performance during the internship was found to be satisfactory.

We wish him success in all future endeavors.
